## **Statewide Competition Round Rules ("Statewide Rules")**

### **Template**

#### **COVER PAGE**

The U.S. Chamber of Commerce Foundation (the "Foundation") provides the following rules to Statewide Hosts as a template for National Civics Bee® Statewide Competitions. The Foundation defines a "Statewide Competition" as a National Civics Bee-sanctioned live competition hosted by an official Statewide Host after the completion of the National Civics Bee® Essay Round ("Essay Round").

Individuals with concerns related to a Statewide Competition should register their concerns with the applicable Statewide Host. Statewide Hosts are listed at [nationalcivicsbee.org](http://nationalcivicsbee.org) and searchable by zip code.

The Statewide Rules are not in effect for the Essay Round or the National Competition. All participants must comply with the applicable rules for each round of the National Civics Bee which may include an Essay Round, a Local Competition, a State or Statewide Competition, and a National Competition.

The operation of each Statewide Competition is the responsibility of the Statewide Host and the Foundation takes no responsibility for running the Statewide Competition. Please note that there may be laws applicable to running the Statewide Competition (e.g. laws on entry into competitions where there is a cash prize) and it is the sole responsibility of the Statewide Host to comply with these laws or any other regulations. While the Foundation has drafted this template to comply with general best practices in competitions like this one, the Foundation makes no representation or warranty as to how the template complies or does not comply with laws applicable to the Statewide Competition.

## **ENTRY PROCEDURE**

The National Civics Bee Contest is made up of several rounds, each of which is governed by its own set of rules. The first round, the Essay Round, is a prerequisite to entrance into the Statewide Competition. Statewide Competition participants must be selected as one of twenty (20) highest-scoring statewide Essay Round entrants.

## **FORMAT OF COMPETITION**

During the Essay Round of the National Civics Bee®, each entrant is assigned to a Statewide Host based on their address as submitted with their essay. The Statewide Host invites the twenty (20) highest-scoring entrants to participate in the live Statewide Competition as Statewide Finalists (each being a “Statewide Finalist” and collectively, the “Statewide Finalists”).

The Statewide Finalists will be notified of their selection to advance to the Statewide Competition. The parent or legal guardian of each Statewide Finalist must execute and return any required consent and publicity release to the Statewide Host within ten (10) days of notification attempt, or the Statewide Finalist will be disqualified, and alternate finalist(s) will be chosen. Statewide Finalists must appear in person for the Statewide Competition which will be held on Saturday, May 10th, 2025. The Statewide Finalists will compete in the live Statewide Competition, which will determine the first, second, and third-place winners.

The Statewide Competition will be made up of three rounds, including two rounds of civics-based quiz questions. Each correct answer will receive one point, and each incorrect answer or unanswered question will receive zero points. The five highest-scoring Statewide Finalists from the first two rounds will participate in a third round of the Statewide Competition which will include questions from a panel of judges regarding the Statewide Finalist’s essay submission. The Statewide Finalist with the highest cumulative score at the end of the third round will be determined as the First Place Winner of the Statewide Competition. Second and Third Place winners will also be announced based on the highest cumulative scores from all three rounds.

In participating states with three or more Local Competitions, the top 3 winners from each Local Competition will advance to compete in the State Competition. After which, the First-Place winners from each State Competition will compete in the National Championship. In participating states with only two Local Competitions, five finalists will advance from each competition for a total of 10 students at the State Competition. In participating states with only one Local Competition, 10 finalists from the Local Competition will advance to the State Competition. In states with only a Statewide Competition, 20 essay finalists will be invited to compete. After which, the First-Place winner from the Statewide Competition will compete in the National Championship.

Each round of the NCB Contest is governed by its own set of rules. Local, State, Statewide, and National Competitions are subject to separate rules, terms, and conditions, and prizes may be won in each round. Participants should consult the applicable rules for specific details on each round.
